

Dear Plymouth Parents,

We know that many of you miss our HOT LUNCH PROGRAM and we wanted to be able to reintroduce this opportunity for our families. We completely understand how busy life can be and the pressure it takes off of us not having to pack lunch every day.

We've researched and found a HOT LUNCH PROGRAM that we believe you're going to love. The name of the company is called Schooleatery. They offer a good variety of food choices from salads, fruit, to entrees. We will launch this program on **October 6th** and for now will offer it every **Tuesday, Thursday** and **Friday**. Once our elementary students are back on campus, we look to offer hot lunch again daily.

Schooleatery follows the guidelines that meet the COVID-19 and CDC recommendations. This was a huge factor in our choosing this company. Please take a look online at their website <https://schooleatery.ahotlunch.com/login> and plan to order some delicious meals for next week.

Please see the attached information explaining how to order, pay, and our school code which is needed for ordering.

If you have any questions, please give us a call here in the school office at (562) 695-0745. We are here to serve you.

BON APPETIT!!
